## Special Concert

Baritone soloist Charles Johnson will be bringing powerful renditions of the Scripture combined with unforgettable music to First Lutheran Church on **Sunday August 21st**. His presentations embrace the philosophy of Martin Luther, *"...for besides theology, music is the only art capable of affording peace and joy of the heart."*

His interest in the many facets of music have taken Johnson from the operatic stage to night clubs, from concert halls to sanctuaries, and into the music business as well. Charles is co-founder of the Limelitters, one of Nashville's most successful talent agencies. He has been a choral director and soloist since his teenage years, serving churches in Chicago, Nashville, Colorado, and California.

Today, Charles Johnson searches for contemporary and classic sacred music that is always centered on Scripture. His music conveys the power and emotion of God's word and lifts the human spirit.

Charles will be singing at the 8:30 and 9:45 worship services on Sunday morning, August 21<sup>st</sup>. He and his accompanist, Dale Niehaus, will also be **presenting a CONCERT at 2:00 p.m. at First Lutheran**. This concert is open to the community... spread the word... invite your friends!!
