

## **We're looking ahead to 2012-2013!**

We invite families to look over the list of classes we MAY be offering next year. We plan our classes according to the number of children registered and we hope to have many new families for this coming school year. If you are interested in registering or would like to visit our school while classes are in session, please give me a call. I would be happy to answer any questions and help you with a decision.
